This Environmental Policy applies to all processes of Forward Environmental Ltd that are likely to have an impact on the environment.

Forward Environmental Ltd is committed to minimising the effect of its processes on the environment.

**It is our policy to:-**

- Comply with all relevant environmental legislation and other requirements.
- Review the environmental risks associated with our processes and implement systems to ensure that these risks are minimised where feasible in order to prevent pollution.
- Implement a system of inspection, testing and maintenance to ensure that environmental risks continue to be controlled.
- Commit to monitor our impacts on the environment through a documented emissions monitoring regime.
- Ensure that staff are trained to be aware of the environmental risks identified and their roles in ensuring that these risks are minimised.
- Audit and review environmental performance to ensure the effectiveness of the EMS is maintained.
